PMI Keystone Chapter, York Branch – 2020-2021 Program Year

RECOGNITION:

We appreciate the continued sponsorship by Penn State University – York Campus and York College for our PMI Keystone Chapter Spring and Fall Events – York Managed.

Normally York Events are held live at PSU in the Spring and YC in the fall. Due to Covid-19 all meetings in 2021 will continue to be held virtually until further notice. We invite all PSU and York College Students and Faculty to attend.

We are excited to have the 2021 Spring Project Management Class at York College and their professor, Dr. Tamara Schwartz, planned for attendance this February 4th meeting. We will have an agenda item on Chapter Members mentoring students. As YC's schedule permits, we look forward to seeing them in other spring 2021 meetings as well.

SPECIAL INVITATION REQUEST: Please, join your professional peers and area college students, and actively participate in the monthly meetings. Proactively contribute your wealth of knowledge, gained through your work challenges, to benefit all in attendance. **Let your PMI Keystone Chapter Area Manager know if you wish to become a mentor.** Many students are interested in obtaining a mentor as they enter the workforce. Our success is because of you and for you. Together we grow and learn. Collaboration is more important than ever for success.

COST: The meeting is free. The capacity is limited, so register now. Logon instructions will be delivered based on first come first serve, in respect to registration until maximum capacity is reached.
