## PMI Keystone Chapter, York Branch – 2022-2023 Program Year

### RECOGNITION:

We appreciate the continued facility sponsorship by Penn State University – York Campus and York College for our PMI Keystone Chapter Spring and Fall Events – York Managed. We also appreciate their help in contributing with some excellent guest speakers during our virtual events and student project presentations. We invite all PSU and York College Students and Faculty to attend. Ask us about mentoring.

Pre Covid-19, the PMI Keystone Chapter's York Area Monthly Events were held live at YC in the fall and PSU-York in the Spring. Due to popular demand virtual meetings will continue in 2023 for York Events through the summer. However, the Chapter will begin to mix in some live networking face to face meetings options in the Fall of 2023, in the form of hybrid Quarterly Membership Meetings and Monthly Educational/Networking Area Events.

**SPECIAL CHAPTER MEMBER INVITATION REQUEST:** Please, join your professional peers and area college students, and actively participate in the monthly meetings. Proactively contribute your wealth of knowledge, gained through your work challenges, to benefit all in attendance. Together we can grow. Tell us if you want to be a mentor or be mentored. Our Chapter's existence is for your professional growth and success.

Welcome all Chapter Members as always! We are one PMI Keystone Chapter bringing events closer to you in numerous areas:

- Attend any area event offering hosted in York, Susquehanna, Leigh Valley, and Carlisle.
