Reading Branch Manager

My name is Andy Nembo and have been a PMI® member since August, 2018. I became a PMI member after obtaining my PMP certification. I am the new Reading Community Manager for the PMI® Keystone Chapter.

Why did you join the PMI® Keystone Chapter?

Becoming a Keystone chapter member was important to me to be part of a community not only as a member but able to volunteer myself and time to foster the mission of the chapter and PMI as whole.

Why did you apply to volunteer on the board?

As a board member of the chapter, I will be able to give back to the community what I learned from others, network with peers in the community, and learn from others' experience as I grow in my journey as a project manager.

What is one nugget of advice you have for our PMI® Keystone Chapter community?

If you hold a PMI® certification, become a member of PMI® and join a local chapter as well. The community is very refreshing and helps you keep up with knowledge and practices in the field of project management.

I am seeking volunteers to help build the Reading PMI Keystone Chapter community! Interested members can apply using VEP ([Volunteer Engagement Platform](#)) to the Reading Support Group. Please contact me at reading-manager@pmi-keystone.org for more information!
